

White Peak GC1

White Peak GC1 is a fully coated, hard-sized folding boxboard with a single coated white reverse and is ideal for a wide variety of end-uses, including packaging for dry and non-fatty foods and frozen foods.

White Peak GC1 is produced using FSC® certified, ECF pulp and is completely recyclable.

This product is produced using ECF pulp from FSC® certified sources. ISEGA certified for direct food contact and is fully recyclable. ISO 9001 and ISO 14001 approved supplier.

Process suitability

White Peak GC1 is ideal for litho, screen printing, letterpress, flexo and gravure. It's also suitable for UV and litho varnishing, emulsion coating, foil and film laminating, embossing and foil blocking.

Suggested uses

Book covers • Folders • Postcards • Cosmetic packaging • Food packaging • Toy packaging
