EXPANDED RANGE

premier

OVOL
Japan Pulp & Paper Group

Premier is the leading supplier of paper, packaging, and sign & display solutions across the UK.

We offer an extensive and diverse product range designed to meet the evolving needs of our customers. Whether you are seeking sustainable paper solutions, cutting-edge packaging, or high-impact display graphics, our expertise and resources are here to support you.

Our experienced team is passionate about delivering outstanding service and tailored support. We take the time to understand each customer's specific needs, providing solutions that help drive growth and success.

Sustainability is at the heart of everything we do. The Premier Group is committed to leading the way with environmentally responsible products and services - supporting a greener, more sustainable future.

Locally stocked. Locally staffed. Locally driven.

Dedicated local support

Easy access to 'expert' knowledge, 16 local branches with stock and local sales teams.

Extensive product range

Large range of carefully selected papers and materials; all selected to provide excellent choice and trusted quality.

National next day delivery

With our own fleet of 129 local trucks and specialist vehicles, you'll receive your order the next day.

Flexible pack options

Both bulk packed and ream wrapped stock available. Additionally we offer a split pallet service at no extra charge which we sell in multiples of 100 sheets.

Sample service

Fast, efficient and reliable sample service that is second to none.

Contact your local branch

Our dedicated team of product specialists are on hand to answer any questions you may have.

Sustainability

Making the right choice, made easier

We understand that choosing the right material can be challenging—especially when balancing performance, sustainability, and suitability for your application.

That's why we've included clear icons to highlight key product features, such as **recyclable, elemental chlorine free, FSC® certified**, and **EU-made**. These markers make it easier to identify the best options for both you and your customers—helping you make informed, responsible choices with confidence.

- FSC® certified
- Programme for the Endorsement of Forest Certification™
- ISEGA laboratory food contact certification
- Product is compostable
- Product is recyclable
- Produced with recycled material
- Product contains no optical brightening agents
- Made in the European Union
- Product contains no elemental chlorine
- Robinson certified
- Toy safety compliant
- Food contact

Show your commitment to a greener future

Premier is proud to support and partner with the Woodland Trust, the UK's largest woodland and conservation charity.

Through our Carbon Capture® programme, you can help capture CO_2 emissions associated with your purchases while supporting the creation of new native British woodland

As of 2025 the programme has raised over £2.37m, contributing to the planting of over 571,000 trees which have the potential to capture over 132,000 tonnes of CO_2 in their lifetime.

Contact your local branch today to find out more.

What's in it for you?

- Demonstrate your organisation's commitment to environmental sustainability
- Use of the Woodland Carbon logo
- Take part in exclusive tree planting events
- Receive carbon mitigation statements to support your sustainability and annual reports
- Receive quarterly certificates from the Woodland Trust recognising your contribution
