

PRODUCT INFORMATION

Algro Design is a one side double coated, solid bleached cartonboard, with a remarkable silky touch and a light coated reverse. The board's superior white shade offers a fresh and clean aesthetic, whilst the high stiffness level ensures a strong performance across all finishing techniques.

SUGGESTED USES ● Greeting cards ● Promotional displays ● Luxury packaging
● Confectionary packaging ● Cosmetic packaging ● Direct food contact

PROCESS SUITABILITY

Algro Design is ideal for litho, letterpress, flexo and screen printing. It's also suitable for UV and litho varnishing, emulsion coating, foil and film laminating, embossing and foil blocking.
