White Peak Kraft Back

Product information

A hard-sized folding boxboard with a fully coated front and uncoated kraft reverse for a natural look and feel. White Peak Kraft Back is an excellent choice for a wide variety of end uses and can be foiled, blocked, embossed and laminated.

The product is produced using ECF pulp from FSC® certified sources, ISEGA certified for direct food contact and is fully recyclable. ISO 9001 and ISO 14001 approved supplier.

Process suitability

White Peak KB is ideal for litho, letterpress, flexo and screen printing. It's also suitable for UV and litho varnishing, emulsion coating, foil and film laminating, embossing and foil blocking. Not guaranteed for reverse printing.

Suggested uses

Point of sale displays • DIY & garden products • Cartons for all types of food • Household goods • Toys & games
