

Pro-Design

Pro-Design is the optimum choice for professional colour laser printing. Pro-Design is ideal for a wide variety of applications such as colour copying, promotional materials, presentations, reports, letterheads and much more.

- ◆ Pro-Performance – Optimal stiffness for jam-free printing
- ◆ Pro-Flexibility – Ideal for digital and variable data printing, custom print jobs, promotional materials and business communications.
- ◆ Pro-Quality – High whiteness for sharper contrast printing, vivid colours and excellent printability.
- ◆ Pro-Sustainability – Optimum environmental performance certified by FSC® and EU Ecolabel.
