reacto®
CARBONLESS PAPER

r e a c t o ® C B coated back

PRODUCT INFORMATION

Reacto sheets are available in white and a selection of five tints; yellow, pink, blue, green and chamois.

Reacto Self Contained has a layer of microcapsule coating on the front that creates a black image without it being used with other carbonless papers, enabling it to be used with any other paper as a top sheet.

- High quality
- Consistent performance
- Excellent on-machine runnability
- Trouble-free finishing
- Strong black image transfer from first to last sheet
- PEFC Certified

SPECIFICATION

Technical Information

Property	Standard	Unit	Value		Tolerance

ENVIRONMENTAL STANDARDS

Sustainable production processes are part of Koehler's manufacturing philosophy certified to the DIN ISO 14001 environmental standard.

The Koehler Group continues to invest in biomass cogeneration plants, wind farms, hydroelectric power, and solar energy.

By 2030 It aims to generate more energy from renewable sources than is required for its paper production; and then go on to make a significant contribution to Europe's transition from fossil fuels to green energy.

The above information is given for general guidance only and is subject to change without notice.
